The Charente river is as soft as a pond and the monuments along its banks are perfectly integrated in the scenery as if nature itself had erected them. Abbeys, country manors, Renaissance castles, landscapes are all mixed harmoniously. This tour has been awarded a FISA label twice.

PROVISIONAL PLANNING

Arrival on Friday evening with accommodation.

DAY 1

Angoulême > Bassac : 34 km with departure at about 7.30 am and arrival scheduled at about 5.00 pm Festive dinner in the evening.

DAY 2

Bassac > Cognac : 24 km with departure at about 7.30 am and arrival scheduled at about 1.00 pm, lunch.

Non-rowers may follow the Charente river on a bike.
